## 14-7-6

### CONDITIONS OF STREET OCCUPANCY

- A. All transmission and distribution structures, poles, lines, and equipment installed or erected by the Grantee within the franchise area shall be so located as to cause minimum interference with the proper use of streets and with the rights and reasonable convenience of property owners who adjoin any of said streets. The CATV system shall be constructed and operated in compliance with applicable governmental construction and electrical codes.
- B. In case of disturbance of any street or paved area, the Grantee shall, at its expense and in a manner approved by the City, replace and restore such street or paved area in as good condition as theretofore.
- C. The Grantee shall, at its expense, protect, support, temporarily disconnect, relocate in the same street or other public place, or remove from the street or other public place, any property of the Grantee when lawfully required by the City by reason of traffic conditions, public safety, street vacation, freeway and street construction, change or establishment of street grade, installation of sewers, drains, gas or water pipes, or any other type of structures of improvements by the City; but, the Grantee shall in all cases have the right of abandonment of its property, subject to City ordinances, and if public funds are available to any utility company for the purpose of defraying the cost of any of the foregoing, such funds shall also be made available to the Grantee.
- D. The Grantee shall, on the request of any person holding a building moving permit issued by the City, temporarily raise or lower its wires to permit the moving of buildings, provided: (1) the expense of such temporary raising or lowering of wires is paid by said person, including, if required by the Grantee, making such payment in advance, and (2) the Grantee is given not less than three business days advance notice to arrange for such temporary wire changes.
- E. The Grantee shall have the authority to trim trees overhanging any streets in the franchise area so as to prevent branches from coming in contact with the Grantee's wires and cables, except that at the option of the City, such trimming may be done by it or under its supervision and direction at the Grantee's expense.
- F. Subject to any applicable state or federal regulations or tariffs, the City shall have the right to make additional use, for any public purpose, of any poles or conduits controlled or maintained exclusively by or for the Grantee in any street, provided: (1) such use by the City does not interfere with the use by the Grantee; and (2) the City holds the Grantee harmless against and from all claims, demands, causes of actions, suits, actions, proceedings, damages, costs or liabilities of every kind and nature whatsoever arising out of such use of said poles or conduits.

### INDEMNIFICATION OF CITY

The Grantee shall at all times protect and hold the City harmless from all claims, actions, suits, liability, loss, expense or damages of every kind and description, including investigation costs, court costs, and reasonable attorney's fees, which may accrue to or be suffered or claimed by any person or persons arising out of the negligence of the Grantee in the ownership, construction, repair, replacement, maintenance and operation of said cable television system and by reason of any license, copyright, property right or patent of any article or system used in the construction of use of said system, provided the City gives the Grantee prompt notice of any such claims, actions and suits, without limitation, in writing. The Grantee shall maintain in full force and effect during the life of any franchise, public liability and property damage insurance for an amount of at least Three Hundred Thousand Dollars (\$300,000.) single limit liability from the time of commencement of construction of the CATV system.

All such insurance may contain reasonable deductible provisions not to exceed One Thousand Dollars (\$1,000.) for any type of coverage. The City may require that any and all investigation of claims made by any person against the City arising out of any use or misuse of privileges granted to the Grantee hereunder shall be made by, or at the expense of the Grantee or its insurer. The Grantee may bring its obligations to carry any insurance required hereby within the coverage of any so-called blanket policy or policies of insurance now or hereafter carried, by appropriate amendment, endorsement or otherwise, provided, however, the interests of the City shall be as fully protected thereby as if the Grantee had obtained individual policies of insurance.

## 14-7-13

### PROCEDURES

- A. Any inquiry, proceeding, investigation or other action to be taken or proposed to be taken by the City in regard to the operations of the Grantee's cable television system, shall be taken only after thirty (30) days written notice to the Grantee of such action or proposed action, and the Grantee has been given an opportunity to respond in writing and at any hearing which may be specified by the City.
- B. The notice required by this section shall state clearly the action or proposed action to be taken, the time provided for response and the person or persons in authority to whom such responses should be addressed, and such other procedures as may be specified by the City. If a hearing is to be held, the notice shall give the date and the time of such hearing, whether public participation will

be allowed and the procedures by which such participation may be obtained. The Company shall be a necessary party to any hearing conducted in regard to its operations.
